LIGHT DUTY STAGE TRACK

The light duty extruded aluminium curtain track is suitable for use in schools, theatres, and many other commercial applications. The track is designed to cater for small or light drapes, and is ideal for windows. It can be fitted directly to overhead soffit fixings, or face fixed via a wall bracket.

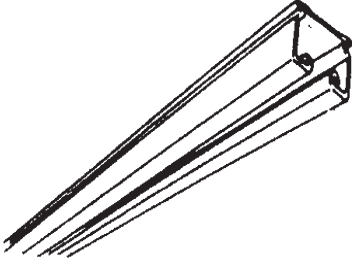

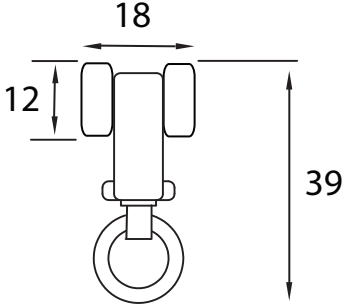

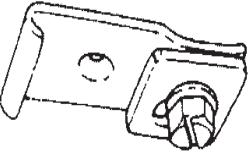

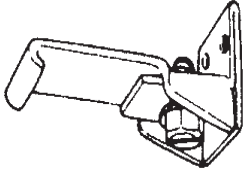

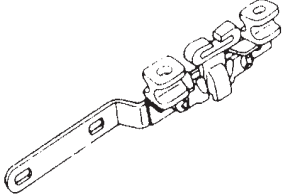

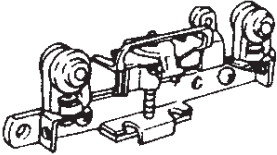

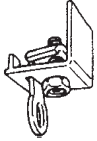

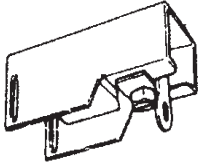

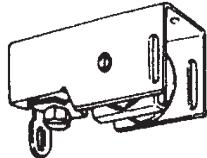

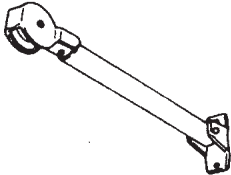

Features

- Wide variety of accessories
- Easily curved
- No welding required
- Light weight

TECHNICAL DATA

Weight : 0.36 kg/m
 Material : Aluminium
 Finish : Silver anodised
