

The TSA heavy duty extruded aluminium curtain track is suitable for use in schools, theatres, and many other commercial applications. The track is designed to cater for large and/or heavy drapes.

It can be fitted directly to overhead soffit fixings, or secured by a variety of available track hanging brackets.

Features

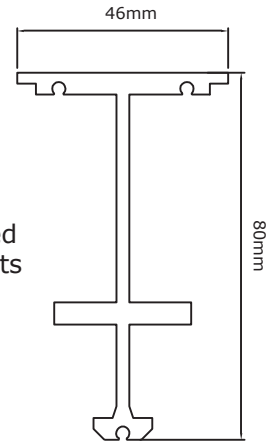

- Anodised black matt finish
- Wide variety of accessories
- Easily curved
- No welding required
- Light weight (1.62 kg/m)
- Can be fixed at 2.0–2.5 m centres
