

The TSA medium duty extruded aluminium curtain track is suitable for use in schools, theatres, and many other commercial applications. The track is designed to cater for small to medium sized drapes. It can be fitted directly to overhead soffit fixings, or secured by a variety of available track hanging brackets.

Features

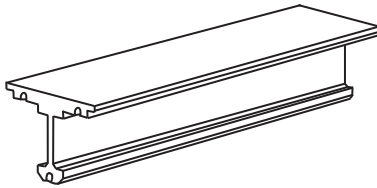

- Anodised black matt finish
- Wide variety of accessories
- Easily curved
- No welding required
- Light weight (0.95 kg/m)
